Hey there - working my way through old emails. You might have already discussed this, but in addition to our office helping with some of these sessions they can probably also work with Arapahoe County Clerk's office too.

Also - I'm happy to help run over there and do some of these depending on the date since I know you and your team have so many things scheduled in the next 60 days. I did this with the league at that location in past years.

Let me know,
-Peg

[Report Suspicious](#)

Good morning,

We have just been given guidance that, pursuant to [Executive Order 14248](#) [\[federalregister.gov\]](#), *Preserving and Protecting the Integrity of American Elections*, going forward only state and local election officials will be permitted to offer voter registration services at the end of the administrative naturalization ceremonies. Non-governmental entities are no longer permitted to provide voter registration services at USCIS facilities during naturalization ceremonies. We are also not permitted to work with the City of Denver currently due to Denver's sanctuary city status.

That being said, we were wondering if either:

1. You have a QR code that applicants could scan that would take them to voter registration that we could provide to new citizens in our lobby during ceremonies; or
2. You or another state or local election entity would be able to provide voter registration on any of the following dates in September. All ceremonies are at 12:30 pm in our office at 12484 East Weaver Pl, Centennial, CO 80111. All ceremonies have approximately 50 new citizens in attendance.

- September 3
- September 8
- September 9
- September 15
- September 17
- September 22
- September 23
- September 24
- September 29

Thank you,

Eva

Subject: [EXTERNAL] RE: Voter registration needed for September

Good morning,

Thank you for this. I have printed out and laminated the information on voter registration with the QR code and I will highlight that during our ceremonies and make sure that it is available to our new citizens.

I appreciate your assistance with coverage at our ceremonies. I look forward to meeting Minerva! In terms of what is needed at ceremonies, they all start at 12:30, people need to get through security before going up to the third floor, where the ceremonies take place. However, applicants are not eligible to register until the end of the ceremony, so it is not necessary to get to here early. We have a table, so the only thing the person or people coming would need to bring would be registration forms, pens, and clip boards. If the person coming would like to bring a table cloth, they are free to do so, but that is not necessary. In the past, I have had the group doing voter registration introduce themselves at the end of the ceremony and talk about voter registration at the end of the ceremony.

Please let me know if you need any other information.

Thank you,

You don't often get email from caleb.thornton@coloradosos.gov. [Learn why this is important](#)

Good Afternoon Eva,

Your email was sent along to me by our Deputy Director, Hilary Rudy.

First of all, I want to thank you for keeping us in the loop about these recent developments. I

have to say that this decision made by USCIS is very frustrating given the good work that third parties like the League of Women Voters and others do registering voters. While we will work to fill in the gap that this will leave, it is unlikely we will be able to attend every ceremony given the number each month.

With that said, I wanted to introduce to you Minerva Padron who will serve as our office's coordinator for these ceremonies going forward. Minerva has been copied on this email. She will work to schedule individuals internally from our office to attend as many of these as we can. So that we make sure we are following your instructions, can you let her know what she will need to provide you all in advance (if anything) to let you know if we will be there and who will be there? We will not be able to have anyone at the event tomorrow unfortunately.

We can also try to work with county partners (like those already copied here) to try to make sure we have as much coverage as possible. I've already reached out to the Arapahoe County Clerk's office to see if they have interest since they are the county in which you all are located.

In the event that no one can attend a ceremony I would encourage voters to visit www.govotecolorado.gov or the Spanish translated site www.vayavotarcolorado.gov to register to vote. They can do that from their phones, tablets, or laptops. They can register to vote up to 8 days before election day to get their ballot in the mail. I have also attached the voter registration form to this email. The first page of instructions on that form contains a QR code which voters can scan to take them to govotecolorado.gov.

Again, thank you for your partnership and for allowing us the opportunity to continue this important program. Please let me know if you have any questions or concerns or if there are any details I have forgotten.

Hi, We can commit to covering 1–2 ceremonies per month (more if needed). So far we've consistently attended at least once a month, and I can also raise this again with the other C&R outreach teams.

September dates I can cover:

- Sep 3 (back before STEAM meeting)
- Sep 8 (flex day, but doable)
- Sep 15
- Sep 17 (conflict with JCSO collab)
- Sep 22–24
- Sep 29

For staffing, I can ask Brandi or recruit for a volunteer to join since these events are high-traffic and usually require more than one person.

Next steps:

- Confirm which September date(s) we want to commit to.
- Decide if we'd like to also provide business cards (or a laminated version) for ceremonies when staff can't be there.
- Request October dates (if available) for advance planning.

Let me know your thoughts. Thank you!

Warm regards,

I have to say that this decision made by USCIS is very frustrating given the good work that third parties like the League of Women Voters and others do registering voters. While we will work to fill in the gap that this will leave, it is unlikely we will be able to attend every ceremony given the number each month.

With that said, I wanted to introduce to you Minerva Padron who will serve as our office's coordinator for these ceremonies going forward. Minerva has been copied on this email. She will work to schedule individuals internally from our office to attend as many of these as we can. So that we make sure we are following your instructions, can you let her know what she will need to provide you all in advance (if anything) to let you know if we will be there and who will be there? We will not be able to have anyone at the event tomorrow unfortunately.

We can also try to work with county partners (like those already copied here) to try to make sure we have as much coverage as possible. I've already reached out to the Arapahoe County Clerk's office to see if they have interest since they are the county in which you all are located.

In the event that no one can attend a ceremony I would encourage voters to visit www.govotecolorado.gov [govotecolorado.gov] or the Spanish translated site

www.vayavotarcolorado.gov [vayavotarcolorado.gov] to register to vote. They can do that from their phones, tablets, or laptops. They can register to vote up to 8 days before election day to get their ballot in the mail. I have also attached the voter registration form to this email. The first page of instructions on that form contains a QR code which voters can scan to take them to govotecolorado.gov.

Again, thank you for your partnership and for allowing us the opportunity to continue this important program. Please let me know if you have any questions or concerns or if there are any details I have forgotten.

Subject: [EXTERNAL] Voter registration needed for September

Good morning,

We have just been given guidance that, pursuant to [Executive Order 14248](#), *Preserving and Protecting the Integrity of American Elections*, going forward only state and local election officials will be permitted to offer voter registration services at the end of the administrative naturalization ceremonies. Non-governmental entities are no longer permitted to provide voter registration services at USCIS facilities during naturalization ceremonies. We are also not permitted to work with the City of Denver currently due to Denver's sanctuary city status.

That being said, we were wondering if either:

1. You have a QR code that applicants could scan that would take them to voter registration that we could provide to new citizens in our lobby during ceremonies; or
2. You or another state or local election entity would be able to provide voter registration on any of the following dates in September. All ceremonies are at 12:30 pm in our office at 12484 East Weaver Pl, Centennial, CO 80111. All ceremonies have approximately 50 new citizens in attendance.

- September 3
- September 8
- September 9
- September 15
- September 17
- September 22
- September 23
- September 24
- September 29

Thank you,

Eva

Good Afternoon Eva,

Your email was sent along to me by our Deputy Director, Hilary Rudy.

First of all, I want to thank you for keeping us in the loop about these recent developments. I have to say that this decision made by USCIS is very frustrating given the good work that third parties like the League of Women Voters and others do registering voters. While we will work to fill in the gap that this will leave, it is unlikely we will be able to attend every ceremony given the number each month.

With that said, I wanted to introduce to you Minerva Padron who will serve as our office's coordinator for these ceremonies going forward. Minerva has been copied on this email. She will work to schedule individuals internally from our office to attend as many of these as we can. So that we make sure we are following your instructions, can you let her know what she will need to provide you all in advance (if anything) to let you know if we will be there and who will be there? We will not be able to have anyone at the event tomorrow unfortunately.

We can also try to work with county partners (like those already copied here) to try to make sure we have as much coverage as possible. I've already reached out to the Arapahoe County Clerk's office to see if they have interest since they are the county in which you all are located.
