RE: Public Records Request dated October 13, 2025

Dear Meg Denning/True the Vote:

You made a request under Wisconsin Public Records Law to the Waukesha County Clerk. Your request, sent via email was dated and received 10/13/25. I am the designated Records Custodian for the Office of the Waukesha County Clerk. Public Records requests are governed by Wis. Stat. § 19.31-19.39, as well as other relevant prevailing and applicable law. Your request seeks the following:

"This request seeks all records, communications, directives, or guidance created or received by your office since March 25, 2025, related to Executive Order 14248, titled 'Preserving and Protecting the Integrity of American Elections', including but not limited to:

1. Actions taken or planned to comply with, respond to, or evaluate the order;
2. Communications with federal agencies (including the Election Assistance Commission or Department of Justice) concerning implementation or challenges to the order;
3. Any internal analyses, meeting notes, or correspondence with county officials, election vendors, or other stakeholders related to voter roll verification, mail-ballot receipt deadlines, or documentary proof-of-citizenship requirements.

Additionally, please include any records, guidance, or communications your office has sent to counties or local election authorities in connection with Executive Order 14248."

After examination I have found no responsive records exist in the County Clerk's Office.

Please be advised Wis. Stat. § 19.35(4)(b) provides that determinations made by a records custodian are subject to review by mandamus under Wis. Stat. § 19.37(1), or upon application to the attorney general or district attorney.

Sincerely,

A handwritten signature in black ink that reads "Meg Wartman". The signature is fluid and cursive.
