To Whom it May Concern,

Pursuant to applicable state public records laws, including any freedom of information or open records statutes in your jurisdiction, True the Vote respectfully submits this request for access to and copies of records as described below.

This request seeks all records, communications, directives, or guidance created or received by your office since March 25, 2025, related to Executive Order 14248, titled *'Preserving and Protecting the Integrity of American Elections'*, including but not limited to:

1. Actions taken or planned to comply with, respond to, or evaluate the order;
2. Communications with federal agencies (including the Election Assistance Commission or Department of Justice) concerning implementation or challenges to the order;
3. Any internal analyses, meeting notes, or correspondence with state officials, election vendors, or other stakeholders related to voter roll verification, mail-ballot receipt deadlines, or documentary proof-of-citizenship requirements.

Additionally, please include any records, guidance, or communications your office has received from state or federal agencies in connection with Executive Order 14248.

True the Vote recognizes that portions of Executive Order 14248 are currently subject to judicial review and preliminary injunctions. This request is not intended to seek privileged legal materials but to understand what steps, if any, your office is taking to assess compliance, improve election integrity procedures, or prepare for potential implementation.

We request that you provide all responsive records in electronic format, preferably as searchable PDF files transmitted by email to research@truethvote.org. We also respectfully request acknowledgment of this request within five (5) business days and full production of responsive records within the statutory period provided by your state's public records law.

If you determine that portions of this request are exempt, please provide any segregable portions of responsive records and identify the specific legal basis for any withholdings.

Thank you for your time and assistance.

Sincerely,

Meg Denning
