To Whom it may concern,

This letter acknowledges receipt of the records request dated October 11,2025, submitted to this office relating generally to certain categories of procedures and communications from this office.

In that regard, please note that pursuant to La. R.S. 18:154, in order to obtain copies of a record in the office of the registrar of voters, a requester must submit the written request of twenty-five qualified voters of the parish. We have not received such a request and will need for the request to be submitted in accordance with the referenced statute before responding further if you wish to obtain copies.

Otherwise, our office will commence the process of determining what, if any, records are subject to this request and, if so, whether any privileges or exemptions apply. Please note that certain information may not be disclosed by my office, pursuant to La. R.S. 18:154 and other applicable statutes, and will be redacted from any copies you may view or receive.

You will be notified within 45 days of our receipt of the request by the requisite number of qualified voters whether records have been located that are responsive and the estimated cost of copying, if any, as well as when copies will be available. We can reasonably estimate at this time that 45 days will be required to convey the copies that you have requested. If the estimated time for production changes, we will give you notice of the change.

Alternatively, if you wish to inspect the records rather than obtain copies, you may do so during our normal office hours, 8:00 a.m. – 4:30 p.m., Monday – Friday. If you prefer to inspect the records rather than obtain copies, please let us know. You will be notified within 45 days of your request for inspection whether records have been located that are responsive, if any, as well as when the records will be available for inspection. We can reasonably estimate at this time that 45 days will be required to prepare the records that you have requested.

If our office can be of any further assistance, please let us know. You may contact my office at; 504-736-6191 or Dennis.DiMarco@sos.la.gov to confirm when the records may be available for inspection.

Sincerely,

Dennis A. DiMarco
